

About:

A collection of extravagant and hostile necklaces and ornaments using actual crystal chandeliers, inspired by the glitz, glamor, and unreality of host-clubs in Kabukicho, Shinjuku.

Material:

Crystal chandelier, Steel wire, Brass, Imitation pearl, Swarovski crystal

About:
Chandelier crystal necklaces are covered in layered latex rubber and hardened in resin, rendered in vivid and playful colors.

Material:
Rubberized resined chandelier crystal
Steel, Brass

About:

A collection of crushed and desecrated shoppers exploring the notions of iconography, authority, and logo as personal identity. The rubberized latex and acts as a disruptive element, examining the emptiness of brand worship.

Material:

Rubberized resined luxury brands' shopper bag
